

ISI has found it necessary to assess a fee to cover certain software that enables effective and consistent communications within the entire ISI team. This software is licensed and provided by ISI including ISI email, Office365 (Word, Excel, Outlook, etc.), online giving and reporting tool (Virtuous), credit card fees, Weebly websites, etc. Our desire is to keep the costs listed below as low as possible for our field team.

### **Fee Structure – Effective March 1, 2024**

- Field Staff (single) - \$19.95 per month
- Field Staff (couples) - \$29.95 per month
- Ministry Representatives:
  - Min. Reps who raise ministry funds will be assessed the fee directly from their ministry accounts.
  - Min. Reps NOT raising funds, will have “email only” and not charged a fee.
- City/secondary websites - \$12 per month

These services are valuable for the cohesiveness of our team and thus are required for Staff and Ministry Representatives. Fees are difficult for all of us, and ISI has worked hard to limit the costs as much as possible.
