

ISI has found it necessary to assess a fee to cover certain software that enables effective and consistent communications within the entire ISI team. This software is licensed and provided by ISI including ISI email, Office365 (Word, Excel, Outlook, etc.), online giving and reporting tools (Halo and Salesforce), Weebly websites, etc. Our desire is to keep the costs listed below as low as possible for our field team.

Fee Structure – Effective October 1, 2019

- Field Staff (single) - \$19.95 per month
- Field Staff (couples) - \$29.95 per month
- Ministry Representatives:
 - Single - \$19.95 per month
 - Couples - \$29.95 per month
 - Min. Reps who raise ministry funds will be assessed the fee directly from their ministry accounts. Those who do not raise funds are asked to contribute these costs directly to ISI and will receive a bill quarterly.
- City/secondary websites - \$10 per month

These services are valuable for the cohesiveness of our team and thus are required for Staff and Ministry Representatives. Fees are difficult for all of us, and ISI has worked hard to limit the costs as much as possible.

We would be happy to answer any questions you may have. Please send your feedback to isifield@isionline.org.
